Meet The New Members

CHOC founded in 1979 aims to increase the survival rate of childhood cancer in South Africa to 60% by 2030. CHOC enables treatment access and adherence for children and teens with cancer or lifethreatening blood disorders across South Africa. CHOC calls on you to stand up, stand strong and stand together on 17 February 2023 and support our fearless children and teens with cancer. Your small donation, R10 towards a Flip Flop Day sticker will make the biggest difference in the lives of our valiant little ones and their families. For more information on CHOC and Flip Flop Day..
